Dear Scoping Participant:

You are receiving this notice because of your participation or interest in the Bureau of Indian Affairs (BIA) Scoping process for the Environmental Impact Statement (EIS) for the initial reservation of the Mashpee Wampanoag Tribe. This Scoping process involved two public meetings, held June 20, 2012 at Taunton High School and June 21, 2012 at Mashpee High School, and dozens of written comments from agencies and individuals. The Scoping Report is now available for review.

The Scoping Report may be reviewed at www.mwteis.com. If you would prefer to receive a hard copy of the report please contact:

Ms. Corinne Snowdon

We would like to express our appreciation to you for participating in the Scoping process and for your comments and suggestions. The comments we received during Scoping will assist us greatly as we develop a comprehensive EIS for the project.

If you have any questions or need further information, please contact Mr. Chet McGhee, BIA Regional Environmental Scientist, at (615) 564-6500.
